

Money Grows

If you let it. But, of course, you must "plant" it first—and the best place to plant it is in one of our Home Banks.

Teach the children the value of thrift by giving them one of these banks. A dollar starts an account, drawing interest at 4½ per cent.

THROW NEGRO DELEGATES DOWN

CHICAGO, August 5.—The National Progressive convention opened here today.

The leaders of the Progressives agree that Governor Hiram Johnson of California shall be the candidate for Vice-President as the running mate of the Rough Rider.

Roosevelt Dominates. Colonel Roosevelt arrived and attended a meeting of the credentials committee and straightened out a tangle of contesting delegates.

In this case the contestants were from the South and the committee decided in favor of the white delegations as against the negro delegates, thus endorsing white leadership in the South. The session of the committee was a stormy one.

Negro Delegates "Ditched." During the fight before the credentials committee the Florida and Mississippi negro delegates were decisively "ditched."

Doctor Venerable, head of the Colored Men's Progressive Association, has emphatically repudiated Roosevelt and scored the "Lily White" policy.

Judge Lindsey Declines. Judge Ben Lindsey, of Denver, Colorado, declined to accept the tender of the permanent chairmanship of the convention.

NEW YORK, August 5.—District Attorney Whitman today issued a statement to the effect that the "system" is raising a \$50,000 police fund for the defense of Police Lieutenant Charles Becker, who is accused of complicity in the death of the gambler Rosenthal, who was murdered to prevent his divulging secrets of the deal between the gamblers and certain members of the police force.

REVOLUTIONARY GENERAL SAYS NOT RESPONSIBLE

GUARERO, Mexico, August 5.—General Orozco, head of the revolutionists, has issued a proclamation in which he notifies the residents of this city that he is not responsible for their future safety. There is a consideration among the business men and fear of looting by the irresponsible revolutionists.

COAST STEAMER ASHORE.

EL PASO, N. M., August 5.—The coasting steamer "Peking" bound for this port, reported ashore at the entrance to Humboldt Bay. There are twelve passengers aboard besides the crew.

CALL OF THE SPIRIT WORLD.

SAN FRANCISCO, August 5.—Dr. Oliver Carson, a well-known and wealthy physician of this city, committed suicide yesterday. Mrs. Carson was a strong believer in spiritualism and left a note that she desired to join the spirit of her dead daughter in the other world. All her preparations for her desperate act, as well as the deed itself, were deliberately planned.

HAIR HEALTH

Take Advantage of This Generous Offer.

Your money back upon request at our store if Rexall "93" Hair Tonic doesn't do as we claim. That's our guarantee. You obligate yourself to nothing whatever. Could you ask or could we give you stronger proof of our confidence in the hair-restoring qualities of this preparation?

We could not afford to so strongly endorse Rexall "93" Hair Tonic and continue to sell it as we do if it did not do all we claim it will. Should our enthusiasm have carried us away, and Rexall "93" Hair Tonic not give entire satisfaction to the users, they would lose faith in us and our statements, and in consequence our business prestige would suffer.

We assure you that if your hair is beginning to unnaturally fall out or if you have any scalp trouble, Rexall "93" Hair Tonic will promptly eradicate dandruff, stimulate hair growth, and prevent premature baldness. Or the above guarantee becomes operative. Two sizes, 50c. and \$1.00. Sold only at our store—The Rexall Store, Benson, Smith & Co., Ltd., Fort and Hotel streets.

SAYS BIRDS ALSO HAVE "RAGTIME"

CHICAGO, Ill., July 27.—Henry Oldys, formerly of the United States Biological Survey, in a lecture at the University of Chicago last night, said that birds are possessed of an aesthetic sense similar to that of the human being.

"Birds dance in the air; do 'Highland flings' and the more sedate evolutions," with the most perfect rhythm," said Oldys. "They sing a bird's ragtime, and at other times snatches of song which greatly resemble our grand opera."

"There is a blackbird that has a song almost parallel to a Wagnerian opera; the robin is best in so-called popular song, while the woodthrush sings a song of four distinct verses."

"Like the human being, birds flirt and are filled with vanity. In this capacity they use their plumage with great effect. In the Congo there is a male bird that struts before its mate and peeps under its wing to see if she is looking at him."
